

A scenic photograph of a park path. The path is paved with light-colored bricks and curves through a lush green landscape. Tall trees with vibrant green leaves line the path, and a body of water is visible in the distance. In the foreground, there are several large, colorful peonies in shades of pink and white. On the left side, a large, grey, textured rock is superimposed over the scene, containing a quote and the Hospice of Dayton logo.

*“The best and most
beautiful things in the
world cannot be seen, nor
touched ... but are felt
in the heart.”*

—Helen Keller
