Refreshing and Updating the Hospice House

As part of its mission to provide superior care and superior services to patients and families, Ohio's Hospice of Dayton is refreshing and updating its Hospice House. Originally built in 1990, the building and gardens were thoughtfully designed to provide serenity and comfort to our patients and visiting family members. Through this refresh, patients and family members will continue to experience this same peaceful atmosphere at the Hospice House.

Progress has been made throughout the building. Rooms in several wings of the hospice house have been painted, wallpaper has been added, and new flooring has been installed. All furniture has been updated. New 55-inch TVs also have been added. Work has continued into the Oak Wing. Once completed, the Poplar and Plum wings will also be refreshed.

Each patient room at the Hospice House has a view of the beautifully landscaped gardens. Outside each window is a planter box filled with flowers and greenery. Patients and families can watch woodpeckers, finches and hummingbirds in the gardens.

In addition to the patient rooms, the coffee area has been refreshed. Plans are underway to update the dining room within the next few months. The café is currently being renovated. This refresh will include a better layout and

service setup. A panini press and sandwich bar will be added along with new coolers, counters and displays.

"This is part of our commitment to our community to keep our Hospice House up to date so our patients and families can receive care in a state-of-the-art Hospice House," said Kim Vesey, general manager of Ohio's Hospice of Dayton and executive vice president of Ohio's Hospice.

Ohio's Hospice of Dayton is grateful to the community support that made the building possible so many years ago.

"The continued gifts from donors like you have made it possible for Ohio's Hospice of Dayton to provide much needed support and service to patients and families," Vesey said. "We're grateful to the members of the community for their continuing support of our mission."

For information on how you can support our mission, please call 937.258.5537.

Together, We Go Far

Lori Poelking-Igel, CFRE
President
Ohio's Hospice Foundation

Recently, I read an African tribal proverb: "If you want to go fast, go alone. If you want to go far, go together." This quote feels especially timely as we share the news of the next chapter of care and philanthropy in our beautiful community. I am honored to announce the launch of

the Ohio's Hospice Foundation.

The Hospice of Dayton Foundation was formed 20 years ago to further our mission of providing superior care and superior services to the patients and families we are privileged to serve. Now, as Ohioans age, an increasing number of people are facing the end of life, while managing more than one complex illness. Our leadership considered what the future might hold, and it became increasingly clear that in order to continue to provide superior care to more of our friends, family and neighbors, we needed to go together.

Hospice of Dayton along with Hospice of Miami County formed Ohio's Hospice in 2013, extending services across the state. Since then, new affiliates have joined the shared mission. Today, the Ohio's Hospice network of local affiliates provides superior care and superior services in 44 counties and cares for more than 11,000

patients each year. We are pleased to present the Ohio's Hospice Foundation as a part of Ohio's Hospice to continue to support our mission across the state.

We understand the importance of your gift staying within your designated local community. Expanding our outreach helps to ensure patient care is sustained and enhanced for all Ohioans who need our support, while assuring your gift stays in your local community. Gifts help to support volunteer efforts, increase availability of bereavement services, and complementary therapies such as art, massage and music therapy. Donor dollars also make it possible for us to provide care and emergency assistance with items such as food, clothing and shelter for patients and their families in their time of need.

While our reach is greater than ever before, our mission remains the same. When you donate to Ohio's Hospice Foundation, you are supporting patients and families in your local community – from Dayton to Newark, from Franklin to Wooster, from Troy to Ashland, from east to west, from north to south, and all over this great state of Ohio. Your generosity makes it possible for our dedicated care teams to provide more comprehensive, individualized care. Your support also provides families access to the support they need for the road ahead.

Thank you for your continued support of our mission. With your help, together, we go far. If you have any questions, please feel free to contact me at Llgel@OhiosHospice.org or 937.258.5537.

Support Our Mission at Our Centerville Heirlooms Resale Shoppe

Our Heirlooms Resale Shoppe benefits patient care and services at Ohio's Hospice of Dayton. Gently used furnishings and decor, collectibles, antiques and jewelry are available at discounted prices. Our inventory consists entirely of items donated from the community.

We appreciate your support of our Kettering shoppe over the past 15 years, and we hope you will continue to support the mission of Ohio's Hospice of Dayton by shopping at our Centerville location.

While our Kettering location of Heirlooms closed this past spring, you can continue to support the mission of Ohio's Hospice of Dayton by shopping and donating at our Centerville store located at 461 Miamisburg-Centerville Rd., Centerville, OH 45459. Please call 937.435.1588.

Local Business Owner Turns Love of Fashion Into a Good Cause

Abbey Goubeaux presents Ohio's Hospice of Dayton staff members Melissa Romer (left) and Sydney Truax (right) with a check for more than \$12,000 from a fundraising effort to support patient care and services at Ohio's Hospice of Dayton.

Abbey Goubeaux, owner of Small Town Boutique, a women's clothing and accessories store in Fort Laramie, Ohio, was looking for a way to give back after her father passed away from lung cancer in August 2018. He spent his final days at Ohio's Hospice of Dayton. The care that Goubeaux and her family experienced blew her away.

"The care we received from the nurses was amazing. But it was more than that. It was the snacks, the flowers brought to my father's room, and the chaplains who joined us in prayer," Goubeaux said. "I couldn't believe that the people helping us get through this time were volunteers! It felt truly amazing."

After her father passed, Abbey wanted to give back to the organization that had helped ease her through such a painful time. "I thought that a purse bingo raffle event might be a fun way to give back to Ohio's Hospice of Dayton."

She began planning right away and held her first event in February 2019 at the American Legion Post in Fort Laramie. She raised \$7,666 for patient and family services and support. By the next year, the event

had grown so large it had to be moved to a different location. Early in 2021, Goubeaux presented Ohio's Hospice of Dayton staff members with a check for more than \$12,000.

"This event is a year in the making between sending out letters, invites, and getting the purses and raffle baskets together," Goubeaux said. "But it's a good feeling knowing the difference we are making in other people's lives."

Donations brought in by Goubeaux at her purse bingo event directly benefit the complementary therapies and volunteer programs that her family and many other families around the region have experienced.

We are so grateful for the support of Goubeaux, her creative planning, and her help in giving back to Ohio's Hospice of Dayton. It is through community donations that we have the privilege to provide superior care and superior services to our patients and families. If you would like more information on the programs that your donations support, please contact the Ohio's Hospice Foundation offices at 937.258.5537.
